

Sweeping Victory for the Left in JNU Student Elections

September 10, 2016

Struggling students of **JNU** led by Ex-President Kanhaiya Kumar, Ex- Vice President Shela Rashid and progressive students' organizations have rejected the conspiracy of the intolerant, medieval, barbaric and 'fascist' Sangh Sarivar to grab JNU with the help of Modi Government and Versity Administration.

This year JNU records 59% polling under a lady Election Commissioner, Ishita Manna, amidst high voltage campaign by ABVP, BAPSA, NSUI, AAP Students' Wing, Swaraj Abhijan Students' Wing, radical DSF etc. and 'Azaadi' chants from Left Alliance (AISA – SFI, supported by AISF) along 'Dafli' beats.

AISA – SFI Alliance has landslide sweep with all four central panel seats where AISA's Mohit Pandey has been elected as the President and they have bagged seats of 22 students' representatives among 24 seats.

In **Delhi University** ABVP retains its stronghold by winning three out of four central panel seats where NSUI has a comeback with one central panel seat. In DUSU election nearly 18000 students have put their votes to NOTA.
